Dear D.J,

Well, I'll start by saying that I'm very glad that I know you & that we got to be good friends. I want to wish you all the luck in the world after you graduate because from what we saw today it looks like you're gonna be getting lost next year. Well when you're on campus don't let that guy be giving you the eye anymore or else who knows what'll happen. Thanks for being such a sweet guy to talk to. I'll miss you when you leave in Sept. But at least we'll have fun going to practice during the summer & having Diane's sister buying us coolers. Maybe we'll be at the same school in 2 yrs. you never know, I might just get smart ▽ Thanks for everything. Take care & Good luck in everything. I'm also very proud of you for graduating. Not like some people (you know who) ▽

Love,
Deanne

TO: the greatest buddy in the world, well U you know that you deserve the very best in your life. I hope one day we will meet and stay in touch forever. Congradulations and good luck in College I know that you'll be successfull in your life. Well like I said U are the best friend I ever had. We've been there so much shit together that it's really hard to believe that it could end so suddenly if I could go back in time

Our friendship will never end it hurts me deep inside when I think that we live so far from each other & keep in touch and take care Coz U are the very best

Love,

Ducky Bear

P.S. tell the gang I miss and love them very much & I know there was a great place to live.

Sports

Wilson Football is more than just a sport — it's a winning tradition. This year our Big Blue Wrecking Crew once again made it to the City 3-A playoffs. With a record of seven wins and three losses, the team should be commended for their outstanding performance. The combination of Wilson's spirit and the coaching of Mr. Katase, Mr. Lunetta, Mr. Montalvo, and Mr. Bejar held the winning tradition of Wilson's Blue and Gold.

BEE FOOTBALL

A successful season for our Killer Bees. Seven wins and two losses, including six shut-out victories. The Bee division of the 3A Freeway League was exceptionally tough this year. A one point loss meant the difference between a tie for first place and third place. Thank you Bees for a killer year!!!

CROSS COUNTRY

A tremendous season for our Varsity Cross Country team! Seven victories and only one defeat! They were second in the league finals and second in the city finals to the three time city champions, Belmont. This is the best ever for a Wilson team and Coach Guajardo is to be congratulated as are the team captains Eric Aguirre and Ben Almeida and the members of this year's squad. We hope this is the beginning of a new tradition at Wilson High. Run Big Blue!

GIRLS VARSITY VOLLEYBALL

If you watched the Olympics on television last summer, you know that the popularity and skill levels of Volleyball are increasing rapidly. Under the guidance of Coach Rightmer, the Wilson Volleyball teams are becoming more competitive. This year our team had a league record of five wins and five losses and advanced to the City Quarterfinals, losing to a very good team from South Gate High. Let's give more support to our girls. Perhaps a championship team is only a season or two away.

VARSITY BASKETBALL 1984-85 NORTHERN LEAGUE CHAMPIONS

Another outstanding season for the Varsity Basketball team. A positive attitude, hard work, and team spriit produced a team that scored twenty wins against only two losses; the best record ever in the history of Wilson High. There were six returning letterman from last years All City 3A Runner-up team including Anthony Blackmon, All City 3A center, Stan Berry, Patreal Norwood, George Tribble, and Art Espino. This team had a perfect record of twelve wins and no losses in league play including a 56-47 three overtime victory over Lincoln High. Losing to 3A Champion Fairfax High in the semi-finals was a disappointment but a two year record of forty wins and seven losses has put Wilson High on the basketball map. Congratulations to Coach Cantu and his outstanding athletes; they have set a new standard at Wilson High.

April in Paris. What a wonderful thought. But if you couldn't make it this year the next best thing is to have been a member of the French Club. Besides learning the French language, the activities this year included a Christmas party with carols sung in French, and a dinner at a French restaurant, and attending French movies, plays, and ballets. Officers for the Fall '84 semester were Alvin Parra, President; Christine Nevarez, V.P; Dianne Tange, Treasurer; Julia Gonzalez, Secretary; Louie Vega, Historian; and Imelda Bedolla, Sgt. at Arms.

Hi O.J!

Friends Forever

What's up! Well, your last year is over. You probably wish you still had many more years of High School, but that's life. I am hoping that this summer will be full of many memories for us "Radd" people. I'm really glad that we've known each other because we've had some good times ever since I've lived near you. I hope that our friendship may continue to grow. Too bad that Ricky can't be here with us because I really miss him and I know you do too. I look forward to going out with you this summer. Party! Party! Party! I want you to know that whenever you need to talk to someone, know that I'll always be here ~~for~~ you. Remember to visit me during the summer and don't be a stranger. Hopefully, Ricky will visit me and you. If not then we'll keep on waiting. I know that I'll always wait around for him just as well as I'll always be a true friend for you. I plan to have another party, but at a safer time. Soon this block will be known as the happening block. Well, I better go now. Good luck in everything you do!!

Love Always,
Patty Montes de Oca
